A Em
Father, I have sinned against you,
D A
Failed to do what's right;
A C
I have walked alone in darkness
D A
Hiding from the light.

Father, I have run away
From what I know is true;
Now I turn around, and
I am coming home to you.

A

C
I have broken your law,
G
I'm returning once more,
A
Home to you;
A
I have sinned,
C
I am seeking your face,
G A
I return by your grace, home to you.
