Words & Music by Geoff Twigg
March 2002

Cm7 Bb/D Eb F
Deep in the wilderness I cry aloud
Cm7 Gm7
I need You, need You
Cm7 Bb/D Eb F
My heart is humbled and my knees are bowed
Cm7 Gm7
I need You, need You
Ab Eb
More than the good things You provide each day
Ab Bb Cm7 F
My life's sustained by every word You say
Cm7 Bb/D Eb F
Lord I depend on You in every way
Cm7 Gm7 Ab Bb
I need You, need You, need You.

Teach me, dear Lord that I am not my own
I need You, need You
No other King can ever take Your throne
I need You, need You
Your Kingdom come, O Lord I daily pray
Your Will be done – I promise to obey
I'm gonna follow Jesus, come what may
I need You, need You, need You.

No other beauty will distract my gaze
I need You, need You
No other love will ever gain my praise
I need You, need You
No other purpose makes my life worthwhile
No other calling than to be Your child
No other pleasure than to see Your smile
I need You, need You, need You.
